Dear 5th Grade Parents:

As you know, the 5th Grade Class Boat Trip is scheduled for Friday, June 8, 2018. The students will be traveling by bus to the World's Fair Marina in Flushing, NY, where we will set sail on the Skyline Princess. We will leave the school at 8:30AM and return to the school between 3:00pm - 3:30pm. If your child normally takes the bus home, please make other arrangements to have him/her picked up from school that afternoon.

We are excited that so many of our students' parents and relatives are joining us on that day. All parents and chaperones will be responsible for their own transportation. For your convenience, attached are the driving directions to the Marina. Please plan to arrive at the Marina by no later than 9:15AM.

Lunch will be provided for everyone and consists of chicken fingers, baked ziti, French fries and garden salad. Beverages and dessert will also be provided. Please note, Skyline Cruises caterers do not use any nuts or nut oils in their cooking. Your child is also welcome to bring his/her own lunch and/or snack, as needed.

For parents wishing to have their children bring cell phones/iPods on this trip, you may do so however we are not liable for any loss or theft. In addition, students may not post photos to any social networking site. Children are not permitted to bring iPads or any other electronic/gaming devices.

The purpose of this trip is to celebrate all the hard work your children accomplished throughout the year. All students should wear their white Connolly t-shirt (will be distributed to all students the week of the trip). I am looking forward to a great day!

Sincerely,

Julie Mullan
Principal
