CUB SCOUTS: PACK 6

Cub Scouting is fun for the whole family. In Scouting, boys and girls (grades K to 5) start with their best right now selves and grow into their very best future selves. It is fun, hands-on learning and achievement that puts kids in the middle of the action and prepares them for today – and for life.

Cub Scouts achieve this with a lineup of hands-on activities and adventures focused on:

- Character Development
- Spiritual Growth
- Good Citizenship
- Sportsmanship and Fitness
- Family Understanding
- Respectful Relationships
- Personal Achievement
- Friendly Service
- Fun and Adventure
- Preparation for Boy Scouts
