Committee Reports

Audit Committee - A meeting is scheduled for tomorrow with the internal auditors and will go over the risk assessment report. The June 15th meeting will be with the external auditors to close the books for the year.
Facilities Committee - Meeting scheduled for Wednesday, June 3rd at 8:00 am.
Policy Committee - Meeting scheduled for June 8th at 6:15 pm.
Technology Committee - The last meeting for this school year took place and talked about the iPad initiative and their deployment. We purchased around 100-120 iPads for each of the six buildings for September. Will start with staff development in June to help roll out the iPad deployment. Will be exciting for both our teachers and students. Similar to the lap top cars we currently use however will be iPads. The committee would like to continue for next year.

Superintendent's Report

had farewell concerts at the high school; end of the year concerts at the elementary buildings and the middle school sixth grade concert is scheduled for tomorrow evening. Wednesday we have our music awards; June 9 th we have booster awards; June 11 th is the PTA installation dinner. Additionally, there is a course at the high school called "Virtual Enterprise" and while at a sponsored dinner by Virtual Enterprise they indicated they have started a pilot at the middle school level in the city this coming year and we are one of the districts they are very interested in collaborating with in regard to piloting a middle school program as well as an elementary component. We will be meeting with the president of LIU Post who has a virtual enterprise camp and we will be speaking with them and I will keep the Board and the community updated. Lots to look forward to including our moving up ceremonies, graduation and the summer to gear up for the next school year.
