**Committee Reports**

<b>Audit Committee</b> - have not met.
<b>Policy Committee</b> - have not met.
<b>Technology Committee</b> - have not met.

**Facilities Committee** - a list was provided to the Board from Ms. Galante on projects that are going on at each building. The city camp is running at Deasy school until August 14th. Some in-house work was done at Gribbin school such as installation of some new carpeting; wood chips were added to the playground to make it NYSIR compliant; new partitions were installed in the faculty bathroom. The Landing school bathrooms are completed and two rooms are being used for a camp being run there. The Connolly school sink hole at the entrance of the school's front parking lot is being addressed as well as the oil tank in the back of the school. Quotes are pending on both these projects. More gravel is needed at the Connolly playground to make it NYSIR compliant. There's an area of the cafeteria floor that needs to be addressed and twelve windows need to have the glass panes replaced. The middle school has subs covering vacation schedules and they're helping move things along to get schools opened including working weekends. They have finished the parking lot painting. The girl's high school locker room has been completed. Custodial staff has worked Saturdays to get that school up and running for the first day of school. The south end side drain repair at the high school has been completed and we're looking for a new facilities director.

**Food & Nutrition Committee** - there are openings for any parents interested in being a part of this committee

**Instructional Report**

<b>Committee on Special Education &amp; Preschool Special Education</b>	Approved
---	----------
