Presentation:

Robert Noetzel, Supervisor of Buildings and Grounds presented an overview of completed and on-going projects within the District's building and grounds. He entertained questions from the Board of Education and members of the audience.

Dr. Aronstein reviewed the District Goals developed between the Board of Education and the Superintendent of Schools for the 2006/2007 school year.

Report:

Dr. Aronstein reported that the opening of school went smoothly. Superintendent Conference day was a great success. There were forty new faculty members introduced. Teacher Assistants were present and were congratulated on their success in completing their certification.

A scheduling problem was brought to the attention of Dr. Aronstein by a parent. The problem was subsequently resolved and parents were informed of the resolution by written correspondence.

Next Meeting will be a Regular Meeting at the Middle School on September 25, 2006 at 7:30 PM.
